

SHINHAN C.M

Introduction

Founded in 2004, Shinhan C.M is a company specializing in manufacturing containers for color cosmetics. We have been steadily growing in the rapidly changing market. Pursuing constant challenges and changes, all members of Shinhan C.M communicate fearlessly and faithfully perform their roles based on strong trust. Thus, Shinhan C.M. has been able to become an important partner for numerous cosmetic brands over the past 20 years.

Based on the spirit of '**Endow values and sensitivity to makeup**', we are still with our customers on their journey to create better value.

We are constantly developing various products that have not been seen before in the market. Also, we are further raising the level beyond maintaining the current high quality and stable production capacity.

These persistent efforts are our duty for all customers who trust Shinhan C.M. We will do our best for sustainable growth and we hope that the results of the growth will contribute to the happiness of all members in Shinhan C.M and further to the local community.

Please look forward to us who are not complacent in the present, challenging and paving own way.

Mission

We realize customer value with the best products and services.

We feel pleasure and rewarded when our customers achieve satisfactory results through collaboration with us.

Thankfully, the fact that many customers work with us means that we are recognized as an indispensable partner in the market. To repay that, we make it a top priority to provide the best products and services.

Endow values and sensitivity to makeup

We become a global market leader based on trust, flexibility, and innovation.

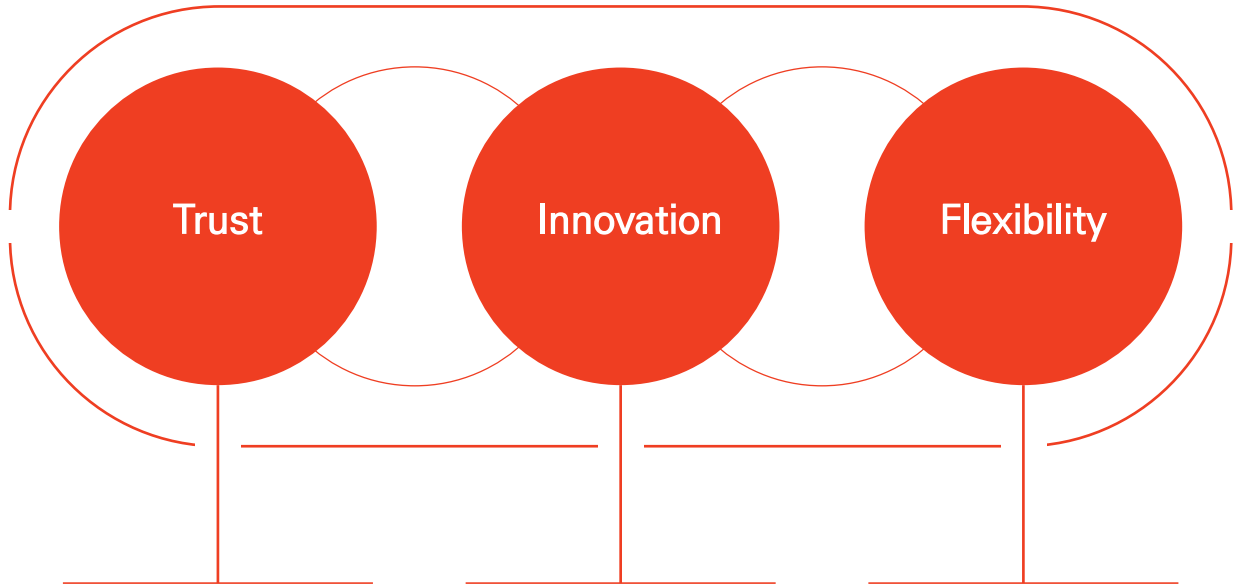

We imagine the 1st position in the world in the same line of business. As we constantly strive for customer satisfaction and continue to pioneer new markets.

It is clear that one day we will become a global market leader.

Vision

Core Value

Trust

We operate our business honestly and openly in the relationship with our customers and partners.

Innovation

We firmly achieve innovation through all members' passion for work, deep thinking, and willingness to challenge. Also, we take failure as an opportunity for learning and growth.

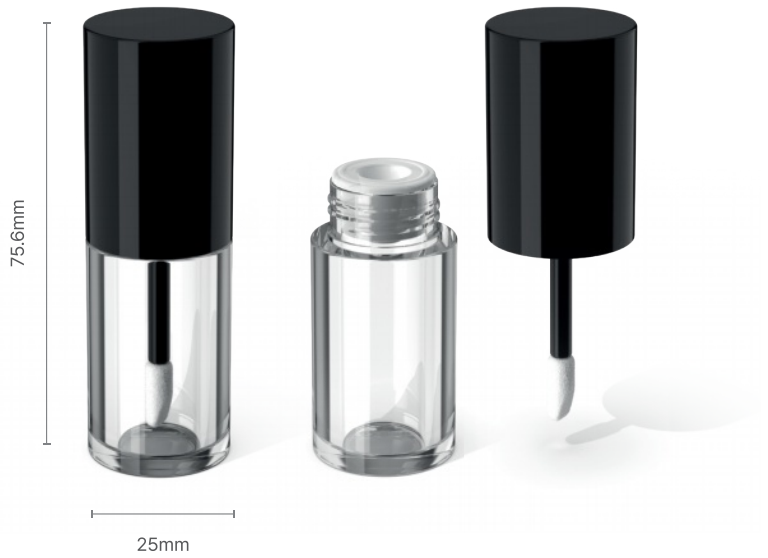

Flexibility

We cannot survive in the market if we remain unchanged. With this sense of crisis, we always pursue flexible thinking and proactive change.
